A message from the headteacher:

We are very excited to be opening Garstang St Thomas Nursery in September. Our aim is to provide a place where your child is happy and really well cared for, with a wide range of learning opportunities. We will have a personalised approach for each individual child.

The Garstang St Thomas Nursery motto is:

LOVE, LAUGHTER AND LEARNING

We've chosen to make our provision teacher led which shows our commitment to making our setting of the highest quality provision. We are working to put an excellent team in place – people who are caring, knowledgeable, enthusiastic and will go the extra mile for your child.

We want to be a nursery team that you can trust and rely on, and a place that you would highly recommend to others.

We have big plans for September for our whole Early Years Foundation Stage, including the wider outdoor areas. I look forward to watching your child get the most out of these exciting developments.

Jim Blakely
Headteacher

Garstang St Thomas Nursery is part of Garstang St Thomas School.
